## Glen Lake One-Mile Swim The Search For Glennie

The Glen Lake Swim: The Search For Glennie is a one mile professionally-timed swim race in picturesque Glen Lake in Goffstown, New Hampshire for experienced open water swimmers. In 2018 the event will take place on Sunday August 12th and is being held by the Manchester Marathon Association (soon to be renamed the Granite State Health and Fitness Foundation), a 501(c)(3) non-profit organization, in association with the Goffstown Recreation Department and the Granite YMCA to raise funds to support local outdoor recreational activities and to promote aquatic safety.

Unlike a typical 5k road race, this is a unique event which will generate a great deal of publicity in all media, including print, television and digital. Preparations are already underway to videotape the event and stream it on the Internet. Event website: http://www.glenlakeswim.com/
